

***A unique Spencer Experience
from the Spencer Chamber of Commerce***

Leadership Spencer was created to develop informed, involved, and concerned community leaders of the Spencer area. This 10 week program gives both experienced and developing leaders a broader view of civic leadership responsibilities and opportunities through direct contact with a wide spectrum of institutions and people who shape the community where we work and live.

Leadership Spencer begins on March 5, 2012 and concludes on May 7, 2012. Sessions are conducted at various locations in Spencer with one session every week. Participants listen to presentations, debate issues, participate in activities, visit with area leaders and organizations, tour the community and get to know individuals representing a broad cross-section of the community.

Leadership Spencer is for those who have an interest in leadership roles and community service and who reside in the Spencer area. Participants will receive a schedule of classes for the 10 sessions. Classes are held from 3:00-5:00 p.m. Class members may only have one excused absence to be eligible for graduation. Outside of scheduled class time, participants will be asked to be involved in a class project.
